SUMMARY OF THE SUBSTANCE OF THE INTERVIEW

COMMISSIONER FOR PATENTS
ALEXANDRIA, VIRGINIA 22313

SIR:

Applicants wish to thank Examiner Venkat for her helpful telephone discussions on December 3 and December 5, 2008, in which the following amendment was discussed. Examiner Venkat informed the attorney that the application is in condition for allowance subjecting to amending claim 43 to mascara composition and deleting “polyurethane, polyesters, acrylic polymers and polyolefin” from claim 43 and incorporating claim 51 into claim 43 and canceling claims 77-78 since the declaration showed results for mascara and not for any other composition and incorporating claim 80 into claim 79. Attorney agreed. Examiner requested the attorney to send the amendment by fax to central fax. Attorney agreed. Examiner informed the attorney that claims sent by fax need to be amended since claims 45-50 and 52-75 lack antecedent basis since dependent claims recite “the composition” instead of “the mascara composition”. Attorney authorized the examiner to

amend the claims by examiner's amendment in order to place the application in condition for allowance.

The Application remains in condition for allowance.

Respectfully submitted,
